October News!

This October there is a lot going on inside the U.S. History classroom at Patton High School. As the month opened, students began work on an assignment called a WebQuest.

The WebQuest is a lesson done completely using an online lesson plan that the students follow step by step to virtually teach themselves. I have been assisting them but most students seem to be getting through it remarkably well on their own and they are really enjoying it. Be sure to ask your student about their WebQuest assignment and take the time to let them explain to you exactly what they have been doing. Discussing the lesson with you is a good way for them to review what they have learned and also makes them feel that you are genuinely interested in what they are doing in school.

Website of the Month:

It is time now for my recommended website of the month. The site listed in this section will be beneficial to you as parent because it will help you understand or assist your student in their assignments for the month. This month's website is the WebQuest site your student has been working from all this month. To get to the site you type in the following link in your computer's web

address bar:

http://www.ehhs.cmich.edu/zha184/edu290_folder/webquest.html

Enjoy the page!

REMINDER!!

Do not forget that our next Parent-Teacher Conference is coming up in November. The date of the conferences is Tuesday, November 9th and all conferences for U.S. History will be held in room 175 of Patton High School. Conferences will be organized so that parents can meet with me in groups of five or six. Those meetings will last fifteen minutes. If you would like a private conference with me about your student, private time slots are available the same night. To arrange a private meeting for that night you must call 983-0000 by 4 p.m. on Friday, November the 5th. Calling that number or emailing me at the address at the top of the page can also address any other questions or issues. If you have concerns that need to be dealt with before Parent-Teacher Conferences do not hesitate to contact me! See you in November!

Happy Halloween!
